Guiding questions.....

1. Are there any potential Operational Group partners here today? How developed are your ideas?

2. What do you think are the most useful practical steps for “kicking-off” the establishment of an Operational Group?

3. What are the main obstacles / challenges for setting-up Operational Groups in your country / region?

4. What information on the EIP-AGRI and Operational Groups needs to be disseminated amongst stakeholders – especially farmers?

5. Are there any other “burning questions” you want to discuss?
