Why are we here?

Specific Workshop Objectives:

1. To introduce the key principles for **practical implementation** of the EIP-AGRI...

...with a specific focus upon setting-up Operational Groups with RDP funding

2. To **share practical information** about existing examples of:

- multi-actor projects relevant to Operational Groups
- relevant Innovation Support Services

**4 x Case
Study
Presentations**

Posters

3. To facilitate the exchange of knowledge, experience and ideas between **YOURSELVES** – the "*EIP multipliers*"

4. To identify practical next steps for **YOU** – the "*EIP multipliers*" - to stimulate / promote the practical implementation of the EIP-AGRI

5. To begin building the EIP-AGRI Network by connecting **YOU** with each other and the EIP-AGRI Service Point

An EU wide EIP network
